Webinar Report on
Electric Vehicles Technology
organised by Department of Mechanical Engineering

Minutes for April 13, 2020

Present: Dr. Sidramappa V. Itti, Principal SGBIT (Chair)
Dr. Veeranna D. K.-HOD and Academic
Mr. Suraj S D- Resource Person
Prof. Suprit Malagi- Host,

Webinar Agenda

1. Welcoming the participants and Resource Person by Dr. Veeranna D. K. HOD-Mech. Dept.
2. Briefing about the webinar by program coordinator by Prof. Suprit Malagi
3. Introducing The Resource Person by Dr. Veeranna D. K
4. Start of webinar session by Mr. Suraj S D
5. Vote of thanks by Prof. Chiranjevi Patil.

Webinar Objective

To make the participants gain the knowledge of Electric Vehicles Technology.

Brief Highlights the webinar

1. Introduction to Electric Vehicles Technology
Future impact on automobile industries
2. Total number of participants registered: 83
3. Total number of participants attended: 83

Outcomes of the Webinar

1. Helped the Participants to acquire the knowledge of Electric Vehicles and future market of automobile industries
