Subject: Request for Cooperation in Conducting Baseline and Village Survey under Unnat Bharat Abhiyan

Respected Sir/Madam,

With respect to above mentioned subject, I am writing to seek your valuable cooperation and support for the successful implementation of the Baseline and Village Survey in our adopted village under the Unnat Bharat Abhiyan initiative.

Unnat Bharat Abhiyan, launched by the Government of India, is a noble endeavour aimed at holistic rural development, with a focus on promoting sustainable development and improving the quality of life in rural areas. Our village, Deshnur has been fortunate to be a part of this transformative initiative.

The Baseline and Village Survey is an essential step in understanding the existing socio-economic and infrastructural conditions of our village. It will serve as a critical reference point for planning and executing development projects that align with the needs and aspirations of the local community. Through this survey, we aim to identify key challenges, resources, and potential areas of improvement, which will ultimately guide us in formulating effective development strategies.

We understand that your office plays a pivotal role in the local governance and administration, and your cooperation will greatly enhance the effectiveness of this survey. We are committed to working closely with the Gram Panchayat to ensure that the survey process is transparent, unbiased, and truly representative of the village's needs and aspirations.

We believe that through our joint efforts, we can pave the way for meaningful and sustainable development in our adopted village. We look forward to your positive response and cooperation in this noble endeavour.

Thank you for your attention and support.
